# 14<sup>TH</sup> ANNUAL CONFERENCE

4<sup>th</sup> and 5<sup>th</sup> of February 2023

SP Grand Days, Thiruvananthapuram

Dear colleagues,

It gives us immense pleasure and privilege to welcome you all to the Annual Conference of the Association of Surgical Gastroenterologists of Kerala, scheduled to be held on 4<sup>th</sup> and 5<sup>th</sup> of February 2023 at Hotel SP Grand Days, Thiruvananthapuram, the capital and the evergreen city of Kerala. A gracious city spread over seven hills, Thiruvananthapuram, is steeped in history and culture. Located in the extreme south of the state, its shores are washed by the warm waters of the Arabian Sea. This is a city where time moves gracefully with the day unfolding according to relaxing rhythms which make it one of the best cities in the country. Holding fort in the heart of the capital is Sri Padmanabhaswamy Temple, which is dedicated to Lord Vishnu who reclines on the serpent Anantha, after whom the city is named.

The theme of this year's conference is "Can't Digest... Discuss".

Nothing can replace the warmth of in-person interactions with the stalwarts in GI surgery. Relieved that the pandemic is largely behind us, we invite you to the 14th edition of ASGK CON.

Thiruvananthapuram awaits you for interesting and thought provoking scientific sessions diligently curated to enlighten both residents and practicing surgeons.

For the discussion, we have eminent national faculties along with Kerala's best ones in this challenging, ever-evolving field.

We solicit your esteemed presence and active participation throughout this academic feast to make it a grand success.
