

Otorhinolaryngology

Teaching Hours:

	Lectures (Hours)	SGD/ Tutorials/ Intg. learning/ Practical (Hours)	Self directed learning (Hours)	Total (Hours)	Clinical Postings (Weeks)
Phase II	-	-	-	-	4
Phase III Part I	25	40	5	70	4

Course Outcome:

(a) Competencies: The learner must demonstrate:

1. Knowledge of the common Otorhinolaryngological (ENT) emergencies and problems
2. Ability to recognise, diagnose and manage common ENT emergencies and problems in primary care setting
3. Ability to perform simple ENT procedures as applicable in a primary care setting
4. Ability to recognise hearing impairment and refer to the appropriate hearing impairment rehabilitation programme.

(b) Integration: The teaching should be aligned and integrated horizontally and vertically in order to allow the learner to understand the structural basis of ENT problems, their management and correlation with function, rehabilitation and quality of life.

Examination: At the end of Phase III Part I:

Theory / Written	Theory Total	Practical	Practical Total	Internal Assessment
1 Papers of 100 marks each	100	100	100	100
Mandatory 50% marks separately in theory and practical (practical = practical + viva)			50% combined in theory & practical (not < 40% in each) for eligibility to appear in University Exams
