Educating students and faculty regarding laws concerning clinical practice, insurance policies & medical indemnity insurance cover for clinical faculty

Statement of Purpose

The policy elaborates on the educating faculty and students regarding the laws concerning clinical practice, insurance policies & medical indemnity insurance cover for the clinical faculty.

Policy

The undergraduate students, postgraduate students and the faculty working in Sree Gokulam Medical College and Research Foundation will be given comprehensive education regarding various laws applicable in medico-legal cases, details about what constitutes medical negligence and malpractice, etc. to help them be ready to face any clinical challenges.

As a welfare measure, faculty, staff and students will also be informed about various insurance practices / schemes available and specifically about the requirement of medical indemnity insurance cover for the clinical faculty.

Clinical faculty shall endeavour to be covered by medical indemnity insurance as a precaution to financially safeguard oneself against legal costs and claims for compensation to the patients in case of any litigations.

Applies to:

All the students, faculty and other staff of the Institution.
