Ethical and Professional Behaviour

Statement of Purpose

Institution is committed to ensuring realisation of its vision and attaining its objectives, in producing the Indian medical graduates with professionalism and ethical conduct.

Policy

A student shall present only his / her work when submitting assignments, logbooks or records unless a group activity is permitted.

A student shall conduct himself/herself in such a way as to not obstruct the academic or clinical work of other students.

A student shall conduct himself/herself responsibly and with integrity when engaging in activities related to patient care, maintain confidentiality of a patient and discloses information only to the treating team of doctors or as instructed by them.

A student shall behave in the examination halls honourably and shall engage in only those activities that are permitted by the faculty during the examinations - both in internal and University examinations.

A student shall be truthful in all the matters concerning academic and clinical work.

A student shall behave in a respectful manner towards his seniors and teaching faculty and in a professional manner in the hospital premises.

Applies to:

All the students of this institution.
