

## *Revised Basic Course Workshop for Medical Education Technologies*

Revised Basic Course Workshop for Medical Education Technologies was held for the faculties in SGMC & RF on 3rd, 4th & 5th of September, 2021. It was conducted by the Medical Education Unit in MEU Hall under the observation of Faculty Representative of Nodal Centre, Kottayam, Dr Sujatha. Thirty doctors participated. It was inaugurated by Dr Lalitha Kailas, Principal, SGMC & RF. The sessions were as directed by the Nodal Centre & NMC for the implementation of the new Competency Based Undergraduate Curriculum and were conducted by the faculty of MEU trained under the Nodal Centre, Kottayam. It was an interactive workshop with active participation from the participants, faculty and the Observer. The workshop concluded with a post-test & valedictory ceremony.
