

Induction Ceremony 2021 Batch

Induction Ceremony for the first MBBS students of 2021 batch was conducted on 14th February 2022 in the Mini-auditorium. The program was presided by Dean Dr P Chandramohan and chaired by Principal, Dr Lalitha Kailas. The program was organized by the Department of Physiology, the coordinating department for the I MBBS students of 2021 batch, under the able guidance of Dr Assalatha G, Professor & Head. Parents were assembled in Lecture Halls 3 & 4, with live video streaming. Throughout the program, COVID appropriate behavior was followed at all the venues. Dignitaries spoke to the students and parents about the medical profession, our institution and current academic program.
