Dear Colleagues,

We are delighted to welcome you to Gynecon 2026, an enriching Continuing Medical Education (CME) session that promises to be both insightful and engaging. Scheduled for April 26, 2026, this event brings together leading experts, practitioners, and researchers in the field of gynaecology to share knowledge, discuss the latest advancements, and foster collaboration.

Your presence reflects a shared commitment to continuous learning and the pursuit of excellence in patient care. Thank you for joining us at Gynecon 2026. We look forward to an impactful day of learning and professional growth!

## SCIENTIFIC PROGRAMME

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
